BOYS' BAND MAKES GREAT HIT IN FIRST PUBLIC APPEARANCE

Much Praise For Leader and Director of Maysville Band—Luke McLuke Proves Better Writer Than Speaker.

There was a splendid audience at the Washington Opera House Wednesday evening to attend the entertainment given by the Maysville Boys' Band and Luke McLuke, the Cincinnati humorist. The first part of the entertainment was one of the biggest hits the people of Maysville have known in recent years while the least said about the Cincinnati fun maker is probably the best. It is sufficient to say that Luke McLuke is much better read than heard.

The first appearance of the Maysville Band of course, brought many parents, relatives and friends of the members of the band to the Opera House and they were more than surprised. Those who have been hearing the band practice occasionally had promised all that there would be an agreeable surprise in store for them, but no one realized how big the surprise would be until the curtain was lifted and at Prof. Young's command the band launched into its first tune. This music was enough to win the house and the encore was loud and long. The Boys' Band had made a hit and had won a place in the hearts of the people of Maysville.

Thursday morning nothing was heard but praises for the organization and its leader and director, Prof. J. W. Young and wife. Prof. and Mrs. Young have certainly demonstrated to the people of Maysville that they thoroughly understand how to instruct youngsters in music.

It would be unfair to mention the organization only as a boys' band for there were several young ladies in it and every one of them deserve special mention for the fine music they gave. The local gentlemen who brought Luke McLuke to Maysville for a lecture did it only because Luke was their personal friend and they wanted him to come to Maysville and speak to a Maysville audience. They had no desire to make money out of the entertainment and after all expenses were paid they turned the profits of the lecture which amounted to \$63.00 over to the Boys' Band to assist them in the purchase of uniforms.

Maysville people have now a taste of what the band can do and they will be very impatient to hear the band again. The next public appearance of the organization will be at the County Conference in the First Presbyterian church on Friday evening and this one feature will undoubtedly draw a large crowd to the church.

An exceptionally varied and charming assortment of Georgette, Silk and Satin Blouses. Duplicates of models displayed in Fifth Avenue shops, \$3.98 to \$13.50. HUNTS.

NO CHANCE FOR A. T. TO RE-CONSIDER STEMMERY HERE

Vice President of American Tobacco Company Says It Is Not Practicable to Operate Stemmy in Maysville All Year.

Shortly after it was announced that the American Tobacco Company would not operate its big stemmy in Maysville this year, the Maysville Chamber of Commerce wrote to the headquarters of the company asking that they reconsider the matter and if there was any way possible to reopen the stemmy at this place for the summer months. In this communication the many advantages offered by Maysville as a location for a tobacco stemmy were recited.

Today the Chamber of Commerce received a letter from one of the Vice Presidents of the company located in New York in which he said that it was not practicable just at the present time to operate an all year stemmy in Maysville. The officer points out that it is the company's custom to stem tobacco in the cities where they have manufacturing but that it had in some times become necessary to stem at outside points when buying and receiving large quantities of tobacco. This communication leads the local business men to believe that there is no possible chance to have the officers of the American Tobacco Company reconsider their recent orders closing the local stemmy.

An interesting display of Silk and Georgette Dresses. Every gown made in New York. A carefully chosen stock at moderate prices \$22.50 to \$40.00. HUNTS.

EASTERN STAR LODGE TO MEET FRIDAY

Regular meeting of the Maysville Chapter No. 273 Order of the Eastern Star, Friday evening at 7:30 Masonic Hall. All members are urged to attend. Visiting Brothers and Sisters are cordially invited to attend. IYV N. RAMAGE, Worthy Matron. Lillian Barkley, Secretary.

ALL SET FOR MARCH TERM OF COURT

All the preliminary work for the March term of the Mason Circuit Court is now completed and everything is in readiness for the opening on next Monday morning. Indications are that several cases heretofore postponed from term to term, will come to trial.

CITY ASSESSOR GETTING READY FOR WORK

The City Assessor begins his annual assessment the first of April and is now getting everything in readiness for the work which will occupy several weeks. Last year the City Board of Equalization increased the valuation of practically all of the property in the city and it is expected that there will be little change this year.

HILLSBORO MAN ADMITS HAVING FUSS WITH WIFE

Man Under Arrest For Horrible Murder of His Wife Admits Having Razor During Argument.

Hillsboro, Ohio, March 20—Five minutes before he formally was charged with the murder of his wife, Charlotte, Horace Barnes, moving-picture theater proprietor, made a confession, in part, of his crime in a cell at the Highland County Jail. "We had a fuss," and I remember throwing a razor on the floor or on the couch," Barnes said, gazing vacantly at his inquisitors. "I do not remember slashing my wife's throat. I do not remember the thing that caused it all. I heard her scream, and the next thing I knew I was disposing of a razor."

Barnes was taken before Mayor Wilkins for his preliminary hearing and was bound over to the grand jury on a charge of first degree murder. Ever since he was found by Deputy Sheriff "Banty" Schwelnsberger hiding in a barn Wednesday afternoon Barnes stoutly had maintained he did not kill his wife, and repeatedly denied that she was dead.

Sheriff Henry Ervin, Marshal William Walker and other city and county officers who have kept close watch over Barnes since the crime became known Wednesday morning are convinced Barnes temporarily was deranged.

The most minute and searching investigation fails to reveal a motive for the crime. Mr. and Mrs. Barnes had no quarrels in the seven years D. F. Mercer, an employee, knew them intimately.

Of late, however, Barnes appeared to be working under a tense mental strain. He constantly complained about the quality of pictures he was receiving, although employees of his two showhouses declare they have been of the best. When Barnes went to the home of Mrs. Agnes Ochs, where he lived with his wife, he appeared to be in a normal state of mind. He chatted with his wife and Mrs. Ochs, and assisted the former in drying her hair.

Mrs. Ochs talked with the couple for several minutes, then went to the kitchen to read a letter. Following her, Barnes asked about the health of her son, from whom the latter had been received, and then went back into the room with his wife. A few minutes later Mrs. Ochs heard Mrs. Barnes scream for help.

As she was rushing to a neighbor's to summon assistance Mrs. Ochs looked back and saw Barnes, in his shirt sleeves, washing his hands at the kitchen sink. Returning a moment later with George Ballantine, a neighbor, they found Mrs. Barnes dead on the floor. Her throat had been cut almost from ear to ear. Barnes had disappeared.

"I don't know how I got out of the house or where I went after leaving it," Barnes said. "I did not intend to end my life in the pond. I fell into the water while trying to climb the bank."

Sheriff Ervin doubts this latter statement, as he examined the ground near the spot where Barnes went into the water and found no evidence to bear out the assertion Barnes made of slipping and falling.

LEDGER ADVERTISEMENT PAYS

A few days ago a Maysville lady inserted a classified advertisement in the Public Ledger informing the public that she had a rug for sale. On the afternoon the advertisement appeared the rug was sold and since that time many inquiries have been made at her home until she has asked the Ledger to please discontinue the advertisement so that her telephone bell will stop the constant ring which has kept her busy answering inquiries about the rug for the past several days.

LOCAL COUPLE ELOPES

It has just become known that on last Monday Mr. Fred S. Moore, popular local electrician, and Miss Frances Chapin Early, of Forest avenue, eloped to Flemingsburg and were married there by Rev. McClure. Mr. Moore has just recently returned from France where for several months he was engaged in his trade in the United States Army. Both of the young people have many good friends here who join the Ledger in extending hearty congratulations.

COLONEL RESPECT BURIED THURSDAY MORNING

The funeral of Colonel Thomas A. Respass was held this morning at the grave in the Maysville cemetery. The services were in charge of Rev. Stephenson, rector of the Church of the Nativity and many friends went to the cemetery to pay their last tribute of respect.

PRAYER MEETING THIS EVENING

Regular weekly prayer meeting services at the First Baptist Church this evening at 7 o'clock. The pastor, Dr. B. B. Bailey, will be the leader and the meeting will adjourn in time for all attending to go to the County Conference at the First Presbyterian church.

LAUNDRY BEGINS NEW COLLECTION SYSTEM MONDAY

The Modern Laundry is now distributing among its patrons cards on which they inform their various patrons when collections and deliveries will be made in their district. It is thought that the new system adopted by the laundry will prove very successful and satisfactory to all.

Suits, exceptionally smart and snappy. All prices from \$18.50 to \$75. HUNTS.

County Tax Supervisors and State Commission in Hitch Over Assessment

MASON COUNTY TAX SUPERVISORS REFUSE TO INCREASE ASSESSMENT IN THIS COUNTY AS ORDERED BY STATE TAX COMMISSIONERS.

The Mason County Tax Supervisors, who have been in session at the Court House for the past several days adjourned this morning without making the increase of over four millions of dollars on town lots, lands and tangible personalty as they were asked to do by the State Tax Commission several weeks ago.

The members of the County Board this afternoon said that they had performed their duties as they saw them in that they had placed what they considered fair valuation on all of the property in all parts of the county for taxation. They pointed out that property has increased in value in Mason county considerably in the past several months and that they had made increases in property values in all cases. It was their purpose to place what they considered a fair and just equalization on all of the property in the county and they make a horizontal raise on all of the property in the county to make up the increased assessment placed on Mason county by the State Tax Commission but the members of the Mason County Board of Tax Supervisors did not feel like they could increase the valuation of the property in the county on their own account. They were willing, however, to place the horizontal raise on all property to bring the total assessment of the county up to the state commission's figures and so informed the State Commission.

A letter was received by County Judge H. P. Purnell yesterday from Mr. J. A. Scott, of Frankfort, chairman of the State Tax Commission in which he said that "the State Tax Commission cannot approve of a horizontal raise." It was the opinion of the members of the Mason County Board that a horizontal raise was the only equitable and just way to obtain the necessary four millions of dollars asked by the state and they therefore refused to take any action on the state's request whatsoever.

It was thought that a horizontal raise of about 20 per cent would be necessary on all of the property of the county but the State Tax Commission through Chairman Scott says, "We suspect you to that some of your taxpayers may need a 30 per cent, raise some a 10 per cent, raise and some 15 or 20 per cent, and some of them no raise at all."

Just what position the action of the County Board this morning puts things in is not clearly known. It is known, however, that several other counties in the state have refused to increase the assessment as suggested by the State Tax Commission and the matter has come into the courts. The action of the Kentucky Court of Appeals on these other cases will probably determine what will be done in the matter here.

The next step taken will probably be that the State Tax Commission will ask for mandamus to force the members of the local Tax Board to make the increase asked.

Members of the County Board this afternoon said that their action in the matter was taken on their own best judgment and clears their skirts of what should happen in the matter in the future.

Before adjournment this morning the County Supervisors turned over to the Sheriff about 400 notices to be served on those whose assessment has been increased by them from that which was given in to the County Assessor. The County Board will meet again within a few days to hear complaints by those who have been raised.

LOCAL FLORIST DONATES CARNATIONS TO MUSICIANS

Mr. C. P. Dieterich, popular florist, has furnished to each member of the Community Chorus which will sing this evening at the County Conference a beautiful carnation and will present a carnation to each member of the Boys' Band which will furnish music at the conference tomorrow evening. Mr. Dieterich is one of our most public spirited citizens and deserves credit for the many things like this he is constantly doing.

BAR ASSOCIATION TAKES ACTION ON MEMBER'S DEATH

The Mason County Bar Association held a meeting at the City Council Chamber this morning at the call of Judge John L. Whitaker, chairman. A committee was appointed to draw up suitable resolutions upon the death of Colonel Thomas A. Respass and present them at the opening of the March term of court that they may be adopted and spread on the records of the Mason Circuit Court.

COUNTY COURT

In the Mason County Court today the following business was transacted: Messrs. George L. Grant, James Childs and Richard Carr were named appraisers of the personal estate of A. C. Carr, deceased.

The inventory and appraisement of the personal estate of Robert Whippy, deceased, was produced in court and ordered filed.

FOR SALE Registered Percheron Stallion and as good a breeding jack as there is in the county. See CALVERT EARLY.

MANY ATTEND OPENING AT NEW HENDRICKSON STORE

Hendrickson's New Paint and Paper Store Is Opened to the Public With Reception—Many Visitors During the Day.

The beautiful new Hendrickson Paint, Wallpaper and Rug Store at the corner of West Second and Sutton streets, was opened to the public Thursday.

The Hendrickson Paint Company recently leased the corner building at Second and Sutton streets for years occupied by the Chenoweth Drug Store and made several extensive improvements to the interior of the building. It is now one of the most attractive store rooms in the entire city and in the several rooms adjoining, which also form a part of the Hendrickson store, the progressive managers of this live concern have on display one of the prettiest and most complete lines of paint, papers and rugs, ever seen in a city many times the size of Maysville.

During the day the visitors filled the store. Punch was served and music added much to the affair. Every one who visited the store highly complimented the live and progressive management upon having one of the prettiest stores of the kind in this section of the country.

WILL BUILD WHARFBOAT

The Manchester Signal says: Capt. Gordon C. Green will soon begin preparation here to build a new wharfbat for Maysville. It will be on the same plan and the same size of the Manchester boat. He will employ about a dozen hands from here. He owns many of the wharfbats where his steamers ply.

Suits with every line sewed and tailored into them, not just pressed in. Every garment a New York expression of style. A stock well worth seeing. HUNTS.

Mrs. H. C. Yazzell of East Maysville has returned home after a visit to her father, Mr. Albert Lyelton of Plummers, Ky.

C. & O. RAILROAD AGENTS HOLD MEETING AT CENTRAL

Prominent Railroad Men From This Division of the C. & O. Railroad Hold Important Meeting at Central Hotel This Afternoon.

A very important meeting of the Loss and Damage Division of Agents of the C. & O. Railroad Company is being held this afternoon at the Central Hotel. Local Agent W. W. Wilkoff is entertaining a number of the agents in this division of the C. & O. and matters of importance in connection with losses and damages to freight shipped by that route will be discussed.

All of the railroads of the country are at the present time giving much attention to this important matter. Recently a conference of L. & N. railroad officials was held in Louisville to discuss the same matter and the subject is receiving the attention of the C. & O. officials through these district meetings.

The railroads and express companies have instituted special campaigns of publicity throughout the nation in the past several weeks to prevent such heavy losses to the companies through damage done freight while in transit and special dates have been set during which time the public is asked to lend its hearty co-operation to the various roads.

The meeting being held here this afternoon will not close until evening and the visiting agents will banquet at the Central at 6 o'clock.

BRONCO BILLY IN PROVES WITH AGE

The crowd who saw Bronco Billy in "Red Blood and Yellow" at the Pastime this afternoon, admit that "Bronco" is just as good as in the olden days and just a little bit better. He never was given a better opportunity to show his ability as an actor, than in "Red Blood and Yellow."

THE HOME OF QUALITY CLOTHES

WELCOME

Home, Men in Khaki

The war is over, but your fight in the business world begins the day you take off your uniform. Whether in store, office or factory you want to win.

Appearance helps and we can serve you in your selection of apparel—For we recommend Society Brand, Fashion Park and Stein-Cloth clothes, the best, we believe, in quality and style for the young man.

Come in and let us show you the merit of these lines.

Subscription: By Carrier, 6c Week, 25c Month, \$3.00 a Year.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

THE DEBTS OF PEACE

Through the grateful and self-sacrificing devotion of some 30,000,000 of his loyal citizens, Uncle Sam was able to pay most of his debts of peace, for the demands upon the national treasury did not cease with the signing of the armistice.

In addition to the war debts that hung over, the war contracts that were then still in effect, and the millions it will require to adjust these satisfactorily with the munition makers, Uncle Sam has an army yet on his hands.

He still has the unsolved problem of his incomplete merchant marine, necessary to insure American success in the fields of foreign commerce. He faces the problem of reclamation for the thousands of wounded and disabled soldiers who must be fitted for their life's battles, the demands upon the soldiers' insurance fund which will run well into the millions, the almost certainty that further credit advances will be needed by some of the hardest hit of our allies abroad, the ultimate expense of bringing back the boys, the making good of the wheat guarantee.

But above all the protection of America's honor, the meeting of all our moral obligations, the retention of the world's good opinion, which means in the finality cleaning this mess up right. The Victory-Liberty Loan will go far toward helping to do this, but not without YOUR help.

Nothing makes a man in moderate circumstances sicker than to hear some sleek individual that makes \$15,000 or \$20,000 a year whining about his income tax.—Ohio State Journal.

The smallest worm will turn, being trodden on, but it doesn't do him any good.—Ohio State Journal.

Just Arrived

The Scripps-Booth Supple Six

At a glance you will see that an automobile does not have to be large, heavy and expensive in order to be beautiful and have perfect riding comfort. It is a favorite with women drivers as its overhead Valve 40 H. P. Motor insures a flexibility that means easy handling on high in traffic, or on the steepest grades. In addition its many refinements and pleasing design increases its popularity. Its long flexible springs and low hung body insures comfort and easy riding qualities rarely found in any motor car.

High prices Marked Tobacco Sales On Kentucky Markets For Month of February—General Average Is Very High.

Although the aggregate sales of new crop tobacco of every description in the open markets of Kentucky fell off 51,421,361 pounds in February, as compared with the preceding month of January, last month's transactions were noteworthy because of the establishment of a new high general average for all tobacco and a marked increase in the average price on each particular type. Sales of 1918 crop tobacco during February netted an average of \$31.68 per 100 pounds, based upon a total valuation of \$35,118,629.62, and statistics for many years past fail to show any higher average, although old tobacco men say that there may have been isolated cases of higher prices before the industry reached its present status. The February average was an increase of \$2.76 per 100 pounds over the average for the preceding month of January, and the nearest approach was made last October, when an average of \$28.40 per 100 pounds was reported for the entire state.

Of the five different types of tobacco sold in Kentucky, burley led all others, reached a new high level at \$30.66, which was an increase over January of \$1.41 per 100 pounds. One-sucker tobacco rose 27 cents per 100 pounds, but this kind of tobacco not long ago brought as high as \$19.65. Unfried dark grades sold at an advance of 35 cents per 100 pounds in February, but were previously reported as high as \$21.11, which was \$5.69 more than the February average. Fried dark grades established a new high record at \$21.81 per 100 pounds, an increase over January amounting to \$3.21. Green River tobacco made an advance of \$1.68 per 100 pounds for the month.

BEWARE OF FAKE SOUVENIR SCHEMES

Railroad officials are calling attention to the fact that irregular intervals men claiming to represent organizations canvass merchants and manufacturers for space in souvenirs and special advertising projects. These efforts should be discouraged for the solicitors do not represent the legitimate railroad brotherhoods. Business men should be chary and not waste money advertising in questionable publications which do not carry value or profit to the organizations they claim to or may represent. Prompt report of such solicitation should be made the Chamber of Commerce.

The appeal to the common sense and good judgment of business men does not apply exclusively with reference to men claiming to be railroaders. Scores of fake and questionable soliciting schemes are being worked. The advice of the Chamber of Commerce is not to give and not to subscribe or contract for anything until the character of the project is firmly established. The times are ripe for

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, ... and the pains were very severe. A friend to me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me... After 12 bottles, I am strong and well."

TAKE

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

Red Cross Seeks Only to Develop Public Interest in Nursing Activities.

"The American Red Cross" says Miss V. Lora Lorimer, Director of the Division Nursing Department stating that platform of the new Red Cross peace program regarding public health work, "Seeks only to develop public interest in public health nursing activities. It does not seek to remain in eventual permanent supervision of these activities."

The work of the Red Cross Committee on Nursing Activities is to be conducted according to the following policy outlined by national headquarters.

"Chapter Nursing activities shall always be conducted with the thought that in so far as they affect public health they constitute one phase of a very broad problem."

"Chapter committee on Nursing activities shall cooperate with medical or social welfare work existing or to be introduced in the community."

"It is not proposed to initiate public health activities in communities where agencies exist for this purpose unless to cooperate with or aid the established agencies."

"All Chapter Nursing activities in Ohio, Indiana and Kentucky are to be under the direction of the Division Department of Nursing."

SEVERAL MORE GOOD SHOWS ARE NOW BOOKED

The Washington Theater has offered its patrons some exceptionally attractive shows during the present season and Manager Russell says he has yet in reserve some of the best shows of the season. These shows will be seen within the next few weeks.

Next Monday is Squire Fred Dresel's regular monthly court day.

REVENUE COLLECTOR HAS SENT OUT DEPUTIES

Income Tax Field Force Visits Towns in District—Assistant Here Now.

The income tax field force of the Seventh Internal Revenue District was sent out to the principal towns of the district Wednesday by Collector Elwood Hamilton to assist taxpayers who filed only tentative returns and paid an estimate of their tax in making out their final returns. They will also aid corporations in making their returns as the proper forms for them did not reach the office until Saturday, March 15, the last day allowed by law for filing, and the majority of the corporations were forced to file tentative returns. The tax officials will be in the courthouses, postoffices, or other public buildings of the towns which are as follows: Ashland, Winchester, Mt. Sterling, Paris, Maysville, Georgetown, Frankfort and Lexington.

The services of the force will be without cost and all citizens who have not sent in their final returns are urged to take advantage of the opportunity offered and avoid the possibility of mistakes.

GLENN QUILTS AS SECRETARY OF DEMOCRATIC COMMITTEE

Louisville, Ky., March 19—Seldon R. Glenn, of Eddyville, Ky., former State Senator and for the past year in charge of Democratic State Headquarters here as secretary of the State central Committee, announced that he had sent his resignation to Chairman Hardin.

It is not probable that his successor will be named until after the primary in August.

Mr. Charles Hill and wife visited Mr. Joe Riggs and wife last Sunday.

CITIZENS ALL FIREMEN CHECK CARLISLE BLAZE

Carlisle, Ky., March 19—Carlisle had a narrow escape from another serious fire loss Tuesday, being saved from disaster by effective work of the fire department and citizens.

The home of Mrs. George Judy, on Sycamore street, caught fire at 9:15 o'clock in the morning. The home is situated in the residence section of Carlisle and was in a line of frame residences. A high wind was blowing when the fire was discovered and the flames spread rapidly. In a few minutes the fire department had the blaze under control. The residence of Judge Holmes was damaged considerably by the fire, being ablaze several times.

Mrs. Judy was sick in bed at the time of the fire and was removed to the home of Mrs. Sue Tilton, a neighbor.

The loss is estimated at \$3,000 with \$1,500 insurance.

UNCLAIMED MAIL

List of unclaimed letters in the Maysville Postoffice, week ending March 19:

Boone, Miss Essie
Craig, Mrs. Lizzie

"TRUE COPY" OF DISCHARGE SUFFICIENT TO GET BONUS, WAR DEPARTMENT ANNOUNCES

Washington, March 19—Regulations governing the payment of \$50 bonus to honorably discharged soldiers were amended by the War Department Tuesday to permit the acceptance by disbursing officials of a "true copy" of discharge certificate.

Heretofore the original certificates were required, but it was found that many soldiers refused to part with the papers, preferring to lose the bonus rather than risk the loss of official evidence of their honorable release from the army. All copies submitted under the amendment authorized today must be certified by the army recruiting officer nearest the soldier's residence.

INCOME TAX RECEIPTS GO TO \$1,583,395 TOTAL

Income tax receipts at the office of Collector Elwood Hamilton, of the Seventh Internal Revenue District totaled \$1,583,395, at the close of business Monday night. It is estimated that several thousand dollars may come in from delinquents who failed to file returns by the end of the time allowed by law and who will thus be subject to the penalty. The total given represents only the first payments of not less than 25 per cent. of the tax due. The next payment will be made in June.

SOLDIER INSURANCE MAY BE PAID TO THEIR "ESTATE"

Washington, March 19—The last obstacle to the issuance of a new insurance policy into which soldiers' insurance may be converted was removed Tuesday when Attorney General Palmer gave an opinion that the treasury might pay insurance to the estate of deceased persons as well as to specified beneficiaries.

The form of the policy was sent to Secretary Glass for approval, and will be ready for final announcement within a few days.

"WHERE DOES THE BLOOD HIDE?" Baffles THE WORLD'S SCIENTISTS

"Where does the blood hide?" is still a question to which science must address itself in spite of the many mysteries war surgery has solved. In cases of shock the blood leaves the heart and disappears somewhere within the body. Where, no one can say, and discussion of the subject by Lieut. Col. Walter B. Cannon, eminent Harvard physiologist, forms one of the high lights of Emily Robbins' article on "Shock," in the April number of the Red Cross Magazine.

"The disappearing blood in cases of shock," declares Lieut. Col. Cannon, who has been conducting investiga-

tions in the United States Army Laboratory for Surgical Research in France, "was formerly supposed to be stagnating in the very capacious veins of the abdomen, and to be thus drawn out of general circulation. But during the war our surgeons have had to operate in hundreds of cases of shocked men and when the abdomen was opened they have found no evidence of the lost blood in that region."

When Others Must Wait!

Long party-line conversations hamper telephone service by making others sharing the line to wait. —they must wait to send calls; —they must wait to receive calls; Has this ever occurred to you? Because other must wait is a very good reason why party-line subscribers should observe the five-minute limit for local calls. Co-operation between subscribers keeps party-lines open for both incoming and outgoing service.

COLONEL DENHART IS
IN UNITED STATES

Colonel Henry H. Denhardt, of Bowling Green, mentioned as one of three probable soldier-candidates for the Democratic nomination of governor, landed in New York Wednesday, and expects soon to return to Bowling Green, where his friends are planning a reception for him. Colonel Denhardt who went to France last June and was attached to the 319th Field Artillery and the Third Corps, Artillery park, is the first of the probable soldier-candidates to return. Major Samuel M. Wilson, whose Lexington friends are conducting an active "pulse-taking" campaign for him throughout the state, is expected to land in New York April 20, and will be met by a delegation of his supporters. Colonel George T. Smith, the only one of the three who has announced that he will be a candidate, is also expected home in the near future. Colonel Denhardt and Major Wilson have informed their friends that they will make no decision until they learn the extent of the support which will be offered them.

RIPLEY TOBACCO
MARKET CLOSES

The Ripley Bee says: The Ripley market held their regular sales last week and started off Monday this week by selling 85,000 pounds. The attending growers seemed to think the market a little stronger than last week. Reynolds bought most of the tobacco offered Monday.

Over 3,000,000 pounds have been sold on the Ripley market to date, and sales have been held on every day advertised—not a sale day missed.

The market closes here today. The last sale at Georgetown was held yesterday.

It has just about gotten so in this country that when a woman buys a \$12 hat in early March she explains that it is only a cheap little runabout to make do until Easter.

What has become of the old-fashioned mellow citizen whose aim in life was to hit the ground with his hat?

WASHINGTON
OPERA HOUSE

W. W. BALL, JR.,
NAMED SECRETARY OF
NEW LOAN COMMITTEE

Mason County Victory Loan Committee Selects Prominent Young Banker as Active Head—Will Attend Conference in Cleveland Saturday.

As has been previously announced in the Public Ledger the old organization which so successfully carried Mason county "over the top" in the four previous government war loan campaigns, will be in charge of the Fifth or Liberty Loan which will open in full force during the month of April.

Mr. N. S. Calhoun, who in the past loans has been the very active Secretary of the county organization, today tendered his resignation as such officer and Mr. W. W. Ball, Jr., Assistant Cashier of the State National Bank, was unanimously chosen as Secretary of the committee for the last loan.

The selection is a splendid one. Mr. Ball is one of the county's most progressive young bankers. In all of the previous loans he has been very active and their great success has been in no small part due to his active participation in the various campaigns. Mr. Ball understands loan campaigning thoroughly and is one of the best posted young bankers in Kentucky.

On next Saturday there will be a very important meeting of the Publicity Secretaries of the Fourth Federal Reserve district in the city of Cleveland. Mr. Ball expects to attend this meeting and at that time will do his best to prevail upon the manager of the government flying circus to put Maysville on their routing. The circus will be in Lexington and jump from that city to Cincinnati. It will be Mr. Ball's endeavor to have the circus routed from Lexington to Cincinnati by way of Maysville so that the people of this section may have the opportunity of seeing government airships in sham battles.

At the Cleveland Conference all matters will be gone over thoroughly by the Secretaries and upon their return to their various homes in the district arrangements will be made for the formal opening of the drive.

LIVESTOCK SANITARY
BOARD MEETS MARCH 21

Frankfort, Ky., March 20—Commissioner of Agriculture Cohen yesterday called a meeting of the Live Stock Sanitary Board for March 21, the meeting to be held in this city. The question of co-operative work in the control and eradication of tuberculosis in cattle, how cholera and sheep scabies will be up for discussion. Members of the Sanitary Board are Commissioner Cohen, T. P. Cooper and Dr. E. S. Goode, of the University of Kentucky; James R. Rash, Henderson; Fred R. Blackburn, Stanton; J. M. Elliston, Elliston; and V. J. Harris, Kevil.

INFLUENZA EPIDEMIC
ON WANE IN FLEMING
Flemingsburg, Ky., March 20—In the county there are yet a few cases of influenza, but the epidemic is so much better that the Board of Health has quit making reports.

Here the epidemic lasted over six months and more than 100 people died from the disease, which is more than died from the cholera in 1833. The deaths during the summer of 1833 were about 60.

CLUB WORK WILL HAVE
ONE-THIRD TIME OF
MASON COUNTY AGENT

County Board of Agriculture Decides That County Agent Should Spend at Least One-Third of His Time in Interesting the Young of the County.

The meeting of the Mason County Board of Agriculture held at the Chamber of Commerce building Wednesday was, in many ways, the most important meeting held since the organization of the board. A definite plan of work for the County Agent for the year was outlined and it was agreed that at least one-third of the time of the County Agent should be spent in interesting the young boys and girls on Mason county farms in club work.

Mr. F. C. Merriman, of Louisville, District Agricultural Agent and Mr. Frank Barrett, of Lexington, State Boys' Club Agent, are present at the meeting.

Mr. Merriman stated that he believed in a tentative plan for the County Agent work as it is a physical impossibility for any agent to come in personal contact with all the farmers in this county during a period of one or two years. His advice was to the effect that it had been proven more practicable for the county agent to reach the majority of the farmers through clubs and as a suggestion would advise Mason county to organize a number of clubs through the county, either by precincts or congressional districts. It was further brought out in his remarks that by this method the County Agent could render more valuable service to the county.

The second part of the program as outlined by the tentative program by Mr. Merriman deals with the boys and girls club work and as Mr. Barrett, State Boys and Girls Club Agent, was present, Mr. Merriman suggested that he give a brief outline to the Board members of the work being done in the various counties.

Mr. Barrett in his remarks stated that County Agent should pay much attention to the boys and girls as it will only be a short time until they are the farmers and farmers wives. In response to a query by Merriman as to the amount of time Mr. Barrett felt that the County Agent should give to this activity, he stated that in this county he felt that it would be wise and profitable for the County Agent to devote at least one-third of this time.

He further stated that in some of the more remote counties, agents spent their entire time in promoting boys and girls club work.

All of the members present felt that Mr. Barrett exercised very good judgment in suggesting that at least one-third of the time of our county agent be spent in the promoting of the boys and girls club work.

A discussion followed relative to the activities that should receive the attention of boy and girl clubs. The Board members felt that efforts should be devoted toward the development of poultry and cattle raising, organization of pig clubs and endeavor to secure a pig of the market class from the litter for the boy whose father who did not approve of purchasing a pure bred gilt.

Mr. Merriman asked County Agent Kirk how many boys and girls he thought he could enlist for club work during the year and if 100 would prove a satisfactory number. Mr. Kirk stated that he would be very greatly disappointed if he did not receive over 100 members during this year, with the aid of the enthusiastic professors in the various communities throughout the county.

In considering the attitude that the County Board of Agriculture and its agent should take toward the development of crops and soils, it was decided that in as much as Mason county depends upon tobacco as its money crop, that the supreme efforts of the Board of Agriculture and County Agent should be directed toward the development of this crop. The Board members were informed that Dean Cooper plans to direct more Extension Department attention toward the development of the tobacco throughout the state this year and two or three tobacco raising specialists will more than likely be added to the Extension Department staff of instructors. These men will be specialists in the raising of the types of tobacco grown throughout the state. These men will do re-search work and endeavor to bring to our farmers advice and advanced ideas and methods in the raising of tobacco and solving of tobacco problems. It was the consensus of opinion of the members present that attention should also be given to the increased production of corn, sweet clover and alfalfa.

In the tentative program submitted it is the desire of the Extension College for the County Board of Agriculture to decide upon the live stock demonstrations that should be given during the year and the members went on record favoring hog feeding and poultry demonstrations.

Some people are surprised that
INSTANT POSTUM
is so delightful and satisfying.

COMMUNITY CHORUS
TO FURNISH MUSIC
FOR CONFERENCE

Mason County Conference Opens Thursday Evening—Community Chorus Will Furnish Music—Interesting Addresses Scheduled.

The Mason County Conference on After-the-War-Problems opens at the First Presbyterian church this evening at 7 o'clock with a very interesting program by the Mason County Community Chorus. As this is the first time the Community Chorus has appeared in public since before the influenza epidemic, there is every reason to believe that there will be a good sized audience.

The program of the chorus as announced this afternoon will be as follows:

Star Spangled Banner.
Battle Hymn of the Republic.
When Sammy Comes Marching Home.

Selection—Quartet.
Old Kentucky Home.
Marsellaise.
America.

The program will be especially interesting to the women of the community and the Parent-Teacher Associations of the city and community will attend probably in a body. The purpose of the county conference will be explained by Mr. L. F. Zerfoss, of Lexington, District Secretary of the Y. M. C. A. and Rev. E. T. Edmonds, of Lexington, will deliver an address on the subject, "What Contribution Can The Women Make to the Hygienic and Educational Needs of the Community." This address has proven very interesting and worth while in many cities and there is no doubt but that it will prove very valuable to the women of this community.

Friday's program is filled with good things. It is the one big day of the conference and the First Presbyterian church should be filled all day. Dr. Frank L. McVey, President of Kentucky State University will deliver three addresses. One in the morning, afternoon and evening and every person in Maysville should take this advantage of hearing the head of the State University at least once during the day.

Friday evening's program will be especially attractive as the Maysville Boys' Band will at that time make its second public appearance.

BIBLE READING

From the first appearance it may seem as if the wicked have the better time in life. So this psalmist thought but he concluded differently. Read Psalms seventy-three and one hundred twenty-two.

Cottons, Cambrics, Muslins, Sheetings, etc., at the new reduced prices.

Curtains, Curtain Goods, etc., Rugs at less than new wholesale prices.

Robert L. Hoeflich

The Personal Side

In considering a bank or trust company as executor, many persons imagine that such relationship precludes the personal touch so likely to be desired by relatives and other beneficiaries. This is far from true.

On assuming the duties of executor, the Bank of Maysville at once establishes the closest possible relationship with those interested through an executive officer, who makes it his business to acquaint himself as fully as consistent with the many and varied details involved.

His services are thenceforth highly individual and personal. He is responsible to this Bank, which in turn is responsible to the estate and to the Court.

Preserve the integrity of your estate by putting it into the hands of this Bank which has these factors of dependability: Assured existence, collective experience, state supervision, and large financial responsibility.

BANK OF MAYSVILLE
